

# HOSTING CRITERIA

## *“Journey to True Financial Freedom” Seminar*

### Purpose

Nothing expresses a Christian’s obedience to God better than the way he or she administers God’s resources. God wishes to bless His people with whatever will help them accomplish His work; the prerequisite is obedience to His principles. How can Christians be obedient without first understanding those principles? The answer: they cannot. Therefore, Crown Financial Ministries has developed a new seminar to define God’s principles for handling money. The seminar combines the scriptural foundations for biblical stewardship with practical application, using Crown’s budgeting plan in a dynamic PowerPoint presentation.

If you feel that your church would benefit from this type of study, please contact the seminar department at 1-800-340-5066 or [seminars@crowns.org](mailto:seminars@crowns.org) for specific information and the name of the closest available seminar instructor.
